The following was presented as report No. 1, of the Committee on Publishing Interests:

REPORT NO. 1.

COMMITTEE ON PUBLISHING INTERESTS.

To the Bishop and Members of the Mississippi Annual Conference of the Methodist Episcopal Church, South.

DEAR BRETHREN:—We, your Committee on Publishing Interests respectfully submit the following report:

PUBLISHING HOUSE.

The Church is to be congratulated on the successful administration of the affairs of its Publishing House. A half million dollar increase of sales and an increase of assets amounting to more than fifty-one thousand dollars is a note-worthy evidence of prosperity.

NEW ORLEANS CHRISTIAN ADVOCATE.

With profound gratification we chronicle the fact that there has been a very large increase in the circulation of the New Orleans Christian Advocate. A year ago the number of subscribers was only 4472; at present the subscription list contains more than seven thousand names. We are pleased also to note a decided improvement in the mechanical make-up and general appearance of the paper. Its editorial conduct merits high commendation. The paper is worthy of a place in every Methodist home in our bounds. Let us give it a still larger subscription list and thus extend its sphere of influence.

REVIEW.

The Review measures up to the same high standard attained under the former administration. We most cordially commend it to our preachers and reading laymen as worthy of their patronage.

THE EPWORTH ERA.

The Epworth Era is doing excellent work as the organ of the Epworth League. We are pleased to note a continued increase in its circulation, as well as decided improvement in its general appearance.

SUNDAY SCHOOL LITERATURE.

The several periodicals published in the interest of the Sunday School are without exception of a high order.

THE NASHVILLE ADVOCATE.

The Nashville Christian Advocate in its form and appearance is above criticism. Its editorial management is in many respects praiseworthy. Candor, however, compels us to say that in our opinion the editorial conduct of the paper deserves censure in one respect. We, therefore, offer for adoption the following resolution:

WHEREAS, The Nashville Advocate in its issue of September 7, contained an editorial in the following language:

“Is immortality an essential endowment of the human soul? Must the soul live always, even though it would choose strangling rather than

life? Are the lost, the finally impetinent, as surely immortal as the saved in heaven? Is consciousness of the pains of hell as surely eternal as enjoyment of the bliss of paradise? We do not know. That man is essentially immortal is thought to be the teachings of the Bible, but our opinion is that the Bible is silent on this point. We are ready, moreover to concede that it would be a relief to us if a closer study of the Bible and of the facts of human consciousness should bring the conviction that the unhappy dead will sooner or later lapse into absolute and final unconsciousness;" and

WHEREAS, The above quoted language expresses doubt concerning the Scriptural doctrine that the wicked shall go away into everlasting punishment; and

"WHEREAS, This is one of the fundamental doctrines of our holy religion; therefore, be it,

Resolved, That we enter an earnest protest against the use of our great connectional organ for the dissemination of such skeptical notions.

W. C. BLACK, Chairman.

C. F. EMERY, Secretary.

The time was extended for the discussion of the report, which was finally adopted.

Mr. E. D. Osborn, of Forest, Miss., communicated an offer to the Conference of as many lots in Forest as the Conference may wish, on which to build homes for the Superannuates. This was referred to the Joint Board of Finance.

The following resolution was adopted.

Resolved, That this Conference request its Sunday School Board to have its treasurer present at this session, and annually hereafter, a detailed statement of the receipts and disbursements of its funds.

(Signed)

ROBERT SELBY.

Bradley, and James Marvin Lewis, having been on trial in the Conference for two years, and passed approved examinations in the course of study, were called before the chancel, charged by the Bishop, answered satisfactorily the disciplinary questions, and, by vote of the Conference, were admitted into full connection.

The following resolution was adopted by a rising vote:

WHEREAS, Since the last session of our Conference there has passed away from the scene of his earthly labors Bishop John Christian Keener, who for thirty-five years served the church as one of its superintendents with distinguished ability and usefulness; therefore be it

Resolved, By the Mississippi Conference assembled in Laurel, that we hold in grateful remembrance the devoted and successful career of this eminent servant of God. We rejoice that he was spared so long to carry on his Apostolic labors and that he came to the close of his earthly life with the benedictions of God and of men. The wise leader, the great preacher, the patriotic citizen, the knightly gentleman and saintly Bishop, has added luster to the history of the modern church.

The report of the Directors of the Mississippi Orphans' Home was read and, pending its adoption, W. M. Williams, the newly elected Manager and Agent, addressed the Conference:

REPORT OF DIRECTORS OF ORPHANS' HOME.

To the Bishop and Members of the Mississippi Conference, M. E. Church, South:

BROTHERS:—Your Board of Directors, of the Mississippi Orphans' Home, beg to submit a report of the Home and its affairs for the term covered between the 24th day of May, 1905, and the 25th day of May, 1906.

This institution is no longer an experiment, but a divinely blessed reality, committed to the people called Methodists in the State of Mississippi, who as a Church, acting through its two Conferences, have undertaken the promotion and development of this noble institution, as a means of caring for the helpless orphans, as well as a practical expression of our faith in the blessings of Heaven on the intelligent expenditure of our affections and means in the worthy cause of Christian benevolence.

The splendid building, planned for our new site in Jackson, was completed in April, 1906, and the wards under our care moved to Jackson from Water Valley. The building, erected on the site contributed by Mai. R. W. Millsaps, is a brick structure of four stories, having four floors of about ten thousand square feet of surface each, giving forty thousand square feet of floor space. This building is equipped with a light and heating plant. Our water supply is furnished from the city water works. The service was obtained by an outlay of approximately \$1000 for piping.

The accounts of the treasurer and the manager have been audited by Brother R. L. Bennett, who was chosen by the Board to perform this service. The report on the manager's accounts being also certified by Brother J. P. Carruth. From the report it is shown that the building has cost up to date of report, \$35,426.00.

The value of the 20 acres of land donated as a site, we now estimate as \$20,000.00

Total cost and estimated value of building and grounds, \$55,426.00.

This sum is additional to the cost of maintaining the Home, which is shown to amount to about \$823 per month, from December, 1904, to May 25, 1906. We submit that these figures speak most eloquently of the hold this institution has on the hearts of our people.

Much trouble and many vicissitudes have attended the management, as incidental to the trials first of restricted quarters in Water Valley, after the fire, and subsequently of moving to Jackson and there getting established in new quarters. The Manager's report in May showed an average of 100 children in the Home. This number has since been increased, and we believe that the capacity of our enlarged equipment will soon be taxed to the full.

From the Manager's report in May, it was shown that four of the older girls were attending college, the board of two being provided for by specific donations, tuition in each case being given free; that the children admitted into the Home during the year were 55; number who went out 54; number in the Home 99, or one more than one year before; admissions to Church during the year 12. Morning and evening religious services are held in the Chapel Hall. A Sunday School is conducted each Sabbath by workers in the Home. The children have organized a Junior Epworth League, which they conduct themselves under direction of their seniors. A Missionary Society is also being kept up among the children, the contributions being made by the children themselves. Owing to the distance of the Home from the Churches in Jackson, the children have not yet connected themselves with any local Church. Provision for their Church affiliation is important, and should receive the attention of the Mississippi Conference, and to this Conference we respectfully submit this suggestion.

Two fire escapes, affording escape from each floor in the building, have recently been erected, at a cost of Eighteen Hundred Dollars.

The Public School Board of Hinds County has granted us a full term for children in the Home, with pay for three teachers. Harris Business College of Jackson is giving free tuition to two of our girls.

In addition to our plant at Jackson, we own 160 acres of land in Neshoba County, twelve miles from Philadelphia, which we believe will, in a few years, become a valuable asset, as a result of contemplated railroad development in this section. Through the liberality of Brother T. M. Evans, of Gulfport, we have title in fee simple to thirty lots in this rapidly growing city.

Rev. Q. A. Oats and his wife have been in charge of the Home since December, 1904. Some time ago, he tendered his resignation, which received the consideration of the Board at a meeting held in October, without action. At an adjourned meeting of the Board, held November 28, the

resignation of Brother Oats was accepted by the Board in the following resolution:

"Resolved, That this Board accepts the resignation of Brother Oats as Manager of the Mississippi Orphans' Home, which has been pending for some months, to take effect January 1, 1907, or at such time between the meeting of North Mississippi Conference and such date as may be agreed upon by himself and his successor.

"Resolved, That in accepting this resignation, the Board desires to assure Brother Oates of its keen appreciation of the labors he and his wife have expended in the care of the Home. We also desire to assure him of our prayers for God's blessings on him and his wherever he and they may be called to labor in the Master's vineyard."

Rev. Wm. M. Williams, a member of the Mississippi Conference, has been elected by this Board to succeed Brother Oats.

An interesting event was celebrated in the Home on Thanksgiving day, when Rev. Wm. M. Langley, a member of the North Mississippi Conference, a graduate of Millsaps College, was married to Miss Mary Koon, a graduate of Grenada College, and one of the choice young women who have grown up in the Home.

To appeal to your loyalty and support for this noble institution would be superfluous; you have done nobly by it, and we know you will continue to do so.

The terms of Rev. M. L. Burton and Mr. J. P. Carruth, members of the Board of Directors, expire with the meeting of the Mississippi Conference, and their successors should be elected.

Respectfully submitted,

(Signed)

JOHN H. SHERARD, President.

The report was adopted and, on nomination of H. M. Ellis, M. L. Burton and S. J. Taylor were elected members of the Board of Directors of the Home.

Dr. John R. Stuart, Agent for the Superannuate Endowment Fund, addressed the Conference with reference to his work.

The report of the Committee on Conference Relations was read and adopted, as follows:

FIFTH DAY.

MEMORIAL SESSION.

LAUREL, MISS., Dec. 16, 1906.

Conference met in Memorial Session Sunday afternoon at 3 o'clock, Bishop Ward presiding.

The opening religious exercises were conducted by C. McDonald.

Question Nineteen, "What preachers have died during the past year?" was called, and in response the Committee on Memoirs made the following report:

REPORT OF THE COMMITTEE ON MEMOIRS.

In the providence of God only one of our members has been called from our midst, Rev. W. W. Hurst, an honored veteran of our ranks. The Memoir will be read by H. P. Lewis, its author.

(Signed)

C. McDONALD,
For the Committee.

REV. WALTER WILLIAM HURST.

Rev. Walter William Hurst was born near Camden, South Carolina, November 28, 1828; came to Mississippi with three of his brothers in 1842, and settled in Monticello, in Lawrence County, on Pearl River, where he lived a number of years. He was educated at Centenary College; he was converted early in life and joined the Methodist Church, South. Our Conference Journal indicates that he was admitted in 1862 at Jackson, Miss. He was admitted into full connection in 1864 at Crystal Springs and ordained by Bishop Paine.

At one time, during the early part of the civil war, he was elected Captain of a cavalry company, and he was a good soldier. He was also a peace officer at one time of his life, and during his term of office he was a terror to evil doers.

Brother Hurst was married five times. His first wife was a sister of the Rev. John B. Bowen, of Union Church. His second wife was a daughter of Rev. Green M. Rogers, late of the Mississippi Conference. His third wife was a Miss Mann. On May 13, 1863, he was married to Mary A. Carr, of Simpson County, Miss., a good woman, of good family. She died in January, 1891, leaving him with eight children. In October 1891, he was married to her who now weeps in lone widowhood, Lucy Dana, who with six children, two sons and four daughters, are lonely and sad. At 8 o'clock Sunday evening, August 26, 1906, he quietly fell asleep in Jesus in his home five miles south of Vicksburg. His funeral services were conducted in Redbone Church, in Warren County, in the presence of a large and deeply solemn congregation, and his remains were deposited in old Redbone Cemetery, where they await the summons of the archangel's trumpet.

Brother Hurst was in 1871 Presiding Elder of the Sea Shore District. He made a good Presiding Elder. He did not like district work, but preferred a regular pastoral charge, a circuit. When in his prime he was quite a revivalist. Scores and hundreds have been saved by his faithful and earnest preaching. He was one of my warmest and best friends. I loved him like a brother. He was a sincere Christian, a firm believer in the vital doctrines of the Bible, a fast friend, and an uncompromising Methodist. When necessary, he did not hesitate to preach doctrinal sermons. He yielded to no one in his attachment to the institutions of the Church, or in the promptness with which he defended them. His emotions were naturally strong and impulsive, and displayed themselves especially in the vivacity and vehemence of conversation. Brother Hurst sought to be useful rather than great, and those among whom he labored will ever remember the vigor and zeal with which

he pursued this cherished aim to the end of his life. One of the most remarkable circumstances of his life was his diligence in searching the Scriptures. As preacher and pastor he did his work well. His labors were crowned with success. He usually stayed four years on his work. He served the church in South Warren, first and last, eight years. No preacher had more friends in Warren County than Brother Hurst. He was everybody's friend.

In the early part of our ministerial life he and I labored much together in revival meetings. He was my principal ministerial help in the wonderful revival at old Santee Camp Ground, in Covington County, held in September, 1866, during which ninety-one people were received into the Church. He was never a bore on the Conference floor, yet he paid close attention to what was said and done; and when he deemed it necessary, he did not hesitate to speak. He was superannuated seven years ago at his own request, since which time he has stayed close at home. He was very devoted to his wife and children, and they to him. Much of my time I have spent in his home during the past twelve months. He is gone. We shall see him no more in this life, but we will, by the grace of God, meet him up yonder. Since his departure I have had a sense of loneliness that is indescribable. May God bless and take especial care of his precious widow and children.

(Signed)

H. P. LEWIS.

Pending the adoption of the report, Ira B. Robertson, J. W. Campbell, N. B. Young, J. W. Ward, H. P. Lewis and I. L. Peebles paid reverent and affectionate tribute to the memory of their departed brother.

The brethren also made loving mention of Irvin Miller, a prominent local preacher, who had served for many years as a supply in the Conference.

A. F. Watkins and Bishop Ward spoke in appropriate and appreciative terms of our departed Bishops, J. C. Keener and J. J. Tigert.

Conference adjourned with the benediction pronounced by C. McDonald.

SIXTH DAY.

LAUREL, MISS., Dec. 17, 1906.

Conference was called to order by Bishop Ward at 8:30 A. M. J. M. Weems conducted the religious exercises.

The minutes of Saturday afternoon session were read and approved.

The minutes of Sunday afternoon Memorial session were also read and approved.

M. G. L. Boswell, of the New Orleans Christian Advocate, was introduced and made a statement of his business.

Question Nine, "What traveling preachers are ordained deacons?" was called, and Bishop Ward announced that he had ordained on Sunday morning John H. Grice, Theophilus Marvin Bradley and James Marvin Lewis.

Question Eleven, "What local preachers are ordained deacons?" was called, and the Bishop announced that he had ordained at the Sunday morning service Erwin Wadsworth Lipscomb, James Vincent Bennett, Charles O. Miller, Matthew Russel Jones, Joseph Burton King, Charles Joseph Stapp and Charles Howard Herring.

Question Thirteen, "What traveling preachers are ordained elders?" was called. The Bishop announced that, assisted by H. M. DuBose, A. F. Watkins, W. B. Lewis and J. A. B. Jones, he had ordained, at the Sunday evening service, William Burwell Jones, James William Thompson, Shadrack Nathaniel Young,

James Lafayette Red, Claiborne Columbus Gibson and John Early Gray.

Question Fifteen, "What local preachers are ordained elders?" was called, and the Bishop announced that he had ordained John Robert Hays at the same time and place and with the same assistants above named.

The report of the Board of Education was read and adopted as follows:

REPORT OF BOARD OF EDUCATION.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—Your Board of Education submit the following report: The report of Dr. J. D. Hammond, General Secretary, which was referred to us has been considered in detail.

We are glad to note the following figures indicating the increase of facilities and enlargement of equipment of the educational interests of the church:

Increase over last year in grounds and buildings.....	\$1,551,729.00
Increase over last year in new buildings.....	22
Increase over last year in cost of new buildings.....	\$377,516.00
Increase over last year in endowment.....	\$115,711.00
Increase over last year in income.....	\$680,993.00
Increase over last year in gifts and legacies.....	\$226,168.00
Increase over last year in students.....	5,368

The General Conference at Birmingham assessed upon the entire Church the amount of \$50,000, the assessment to be known as "The Assessment for Educational Extension", this assessment to be taken separately and sent direct to the General Secretary.

There are four items included in this assessment, as follows:

1. The support of the General Board, publications, etc.
2. The support of the Correspondence School, publications, etc.
3. The colored work of the church.
4. The development, according to the best judgment of the Board of Education, in the pioneer territory of the Church.

This assessment is to be presented upon its merits and we believe it is better that this be done. The assessment upon our Conference is \$1475.00.

CORRESPONDENCE SCHOOL.

The Correspondence School grows in favor all the while. We are glad to report that of the 870 students in the school 30 are from our Conference. We would call your attention to the Extension Library, the purpose of which is to give the preachers the opportunity to read the best books at small cost to them. We respectfully urge the undergraduates to take advantage of the Correspondence work. We recommend that the Secretary of this Board be authorized to arrange for a course of lectures to be delivered at the next session of the Annual Conference.

VANDERBILT UNIVERSITY.

This great University is furnishing the South with high class opportunities in all its departments. We would call the attention of the young men of our Church to the unusual advantages afforded by all the special departments of this institution.

We recommend the appointment of R. P. Fikes and T. M. Bradley to the Vanderbilt University.

MILLSAPS COLLEGE.

This highly favored institution is in the midst of its fifteenth year, and its progress and prosperity are unabated. While much has been done, there is demand for larger and wider movements, the College being hampered only by lack of funds.

The enrollment to date is 270, and the prospect is that the number will be increased to more than 300. We believe that we are upon a time when all Mississippi Methodism should rally vigorously to this institution, and make it the equal of any college of the South or North. It is a matter of gratification that the influences about the student body are the very best, and while the college is not a reformatory, we have confidence in the religious tone affecting the young men for good. The college is to be congratulated upon the gift of \$15,000.00 of Mr. Carnegie, and of a like amount as a Library Endowment from Maj. Millsaps, who is our largest benefactor. With the placing of an agent in the field it is our confident expectation that the Endowment Fund will be greatly increased. We recommend the appointment of James A. Moore as Professor in Millsaps College.

WHITWORTH FEMALE COLLEGE.

We rejoice with the administration of this very worthy institution in its unusual and substantial prosperity. We are not surprised since the President is wide-awake to every opportunity of bettering the condition of things. There are some improvements very much needed and it is to be hoped that the Conference will be in a position in the near future to accept Dr. Cooper's proposition to duplicate any amount up to \$500 for general improvement. It is nothing but right that we should prove our interest in this college by some substantial token, but we do not think it advisable to make an assessment for the college at this time, as there are other demands that must be met. We would reaffirm our loyalty to the school. We would recommend the appointment of Rev. I. W. Cooper, D. D., as president of the College.

PORT GIBSON FEMALE COLLEGE.

It appears from the report of the trustees referred to this board that the change in administration since the last conference has been of great advantage. The attendance of boarding pupils is larger than during any session since the civil war. The local patronage is very good. The standard of study has been raised and the class which expected to take the M. E. L. degree in 1908, will, instead of this, work for the A. B. in 1909.

The students are well organized into a League and Literary Societies. The college has a brighter future than it has had for years, and we trust that there will be no hindrance to its prosperity. We recommend the confirmation of the following trustees: J. T. Drake, A. K. Brashear, Albert I. Orr,

E. A. Enochs, and M. B. Sharbrough. We also recommend the appointment of Rev. H. G. Hawkins as President of the College.

EDWARD MCGEHEE COLLEGE.

We have had the report of the trustees of this institution before us. The report evidences continued prosperity, the attendance being larger than for many years. Miss Swanson, the competent and popular President, aided by a thoroughly competent faculty, has the confidence and support of a large contingency in the southwestern section of the State. We recommend the institution as worthy and deserving the confidence of the church.

MISSISSIPPI CONFERENCE TRAINING SCHOOL.

From the report of W. W. Moore, the President of this institution, we are gratified to note that the school is doing good work. The faculty is composed of graduates of our colleges, one being from the I. I. & C., and they are competent to do the work committed to their charge. We quote the following from the president: "We are doing the work this year of a first class training school." The school is correlated with Millsaps College.

We heartily recommend the school to the patronage and financial support of the Church throughout the Conference, and especially in the territory in which the school is located. We wish it were practicable to recommend an assessment for this worthy institution. We recommend the appointment of the Presiding Elder of the Forest District as Financial Agent.

The following resolutions were adopted:

PREACHERS' AND WORKERS' INSTITUTE.

Resolved, That a Committee of five discreet men, three preachers and two laymen, be appointed, whose duty it shall be to carefully and prayerfully consider the advisability of organizing and operating, at the Seashore Camp Ground—or elsewhere within our Conference bounds—a Preachers' and Workers' Institute, where *recognized leaders* in the various departments of ministerial and Christian service shall be secured for the instruction and

training of our preachers and people in skill and efficiency for their Christian work.

Secondly, That if they conclude that such an Institute is advisable, they be authorized to proceed with its organization and operation during the ensuing year, if sufficient means can be secured.

Thirdly, That they be authorized to request, should they deem it wise, the Sunday School, Epworth League and Conference Boards to use the place and occasion for their annual summer meetings and the schedule of work be arranged with reference to their presence and necessities.

Fourthly, That, in any case, the Committee be requested to report fully their conclusions and actions to the next session of our Annual Conference.

REPORT NO. 2.

PUBLISHING INTERESTS.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—We, your Committee on Publishing Interests, respectfully present the following Report No. 2:

We recommend the appointment of the following as members of the Publishing Committee of the New Orleans Christian Advocate: W. B. Lewis, J. M. Morse and M. M. Black.

We are glad to report that our Colporter, G. W. Bachman, is having a measure of success in supplying our people with our own literature. We regard this as a work of very great importance. We cordially commend Brother Bachman and his work to our people.

We also offer the following resolution:

Resolved, That W. C. Black, T. W. Adams and C. F. Emery be appointed a committee to direct the attention of the Book Committee to certain recent editorial utterances of the Nashville Christian Advocate.

The Bible Society Board read the following report, which was adopted:

REPORT OF THE BIBLE SOCIETY BOARD.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—We, your Board to whom has been committed for the last four years the interests of the American Bible Society, are delighted to report that it has made very gratifying progress. The assessment has advanced from \$1,000 to \$1,500 for the last Conference year. Of that assessment we paid \$1,396.78.

The American Bible Society has published two million copies of the Word of God and portions thereof. These books are published in about 108 different tongues. About two-thirds of these books go to Foreign Mission work.

A colored agent in the South, Rev. Mr. Wragg, with a company of colporters, is rapidly putting a Bible into every Negro home. We reaffirm our fealty to the Society, and recommend an advance movement.

We recommend an assessment of \$1800.00 for the Conference year 1907, and apportion it as follows:

Meridian District	\$ 300.00
Forest District	235.00
Sea Shore District	330.00
Jackson District	265.00
Brookhaven District	250.00
Natchez District	210.00
Vicksburg District	210.00

The Committee on the State of the Church made the following report, which was adopted:

REPORT OF COMMITTEE ON THE STATE OF THE CHURCH.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—We give thanks to God for the great favor He has shown us this year in that He has blessed our labors with large returns and bestowed upon us peace throughout our Conference.

Gracious revivals of religion have been general; the Church is seeking and finding more indisputable evidence of the presence and power of the Holy Spirit in her work; higher and more scriptural views of the Christ-life prevail, and there is a spirit of harmonious co-operation among Christian workers. "Brotherly loves continues," and reciprocal confidence marks the relation of member to member.

We note with gladness the large number of conversions and additions to the Church membership during the year, and the very evident increase of missionary spirit, which is the Spirit of Christ. We also give thanks to God for calling more of our young men to the ministry of the Word and of our maidens to the missionary work of the Church.

The increase of interest in Christian literature and Christian education not only indicates the healthy sentiment and increasing appreciation of both duty and advantage, but is a prophecy of still better work and greater accomplishments in the days to come.

The work of our Sunday Schools and Epworth Leagues prospers. Methods of instruction are constantly improving and higher ideals of life are being urged upon our young people. Here also is hopeful prophecy for the morrow.

The larger liberality of our people is expressed in the effort, generally successful, to meet fully the demands for ministerial support and benevolent outlay; the institutions of the Church are being supported as never before in our history.

For all these things we give humble praise and thanksgiving to our gracious Lord and provident Head of the Church.

We would be blind to facts or untrue to obligations were we to fail to give warning of dangers to be shunned and influences to be fought. The spirit of the age is one of irreverence and levity. The meditative habit without which there can be no sustained Church life of high reach or deep experiences, is in danger of being destroyed by restless rush for gain and feverish thirst for pleasure, and the circle of worshippers about the hearthstone less frequently proclaims the consciousness of God in the home. We need to emphasize the duty and blessedness of household piety, and the morning and evening family prayer, the gathering of the family, as such, at the place of public worship, and the cultivation of the spirit of reverence for sacred things. And these things will we do, by the help of God.

Respectfully submitted,

(Signed)

Wm. H. LAPRADE, Chairman.

The following report of the Sunday School Board was read and adopted:

REPORT OF THE SUNDAY SCHOOL BOARD.

To the Bishop and Members of the Mississippi Conference:

DEAR FATHERS AND BRETHREN:—It becomes our pleasant duty to bring to you at the close of a quadrennium of earnest effort, the report, that never before was our Sunday School work in so prosperous a condition. There has been a healthy growth in numbers and an increased circulation of our literature. During the four years we have seen the passing away of much that was objectionable and the introduction of new and more excellent methods.

Four very successful Institutes have been held and have been most instructive and helpful to all who took part, conducted as they were by

Dr. Hamill, assisted by his gifted wife. The last one held in Columbia in May, was perhaps the very best of the series, though not so largely attended as some others.

The superb work of Dr. and Mrs. Hamill has given impetus and stimulus to the work never before realized. If it be true, as some one has said, that the Sunday School is the noblest development of the 19th century, then it deserves the very best efforts of preachers and laymen. One of its latest and most important developments is the teachers' training, and the times absolutely demand progress in this great work. The crude work done in the past by many teachers has been a bar to intelligent progress on the part of the Sunday School scholar. In order that the teacher may get the Word of God into the minds and hearts of the Sunday School scholar he must know the Book. We are not to take it for granted that the teachers are perfectly familiar with the lessons, for many of them are not. The preparation of the lesson is all important in our Sunday School work. We would urge with special emphasis that teachers' meetings be held in all our Sunday Schools, in order to secure a more intelligent knowledge of the lesson on the part of the teacher. John R. Pepper has said that the teaching function of the Sunday School must ever be recognized as the chief foundation stone of the structure.

The debt that encumbered the Board at the beginning of the quadrennium has been entirely wiped out and we have been able to supply all the demands for literature that have been made upon us. In conclusion we respectfully call attention to Paragraph 248, of the Discipline as enacted by the last General Conference providing for raising an endowment for a Chair of Religious Pedagogy and Sunday Schools in Vanderbilt University.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—Your Committee on District Conference Records begs leave to submit the following report:

We have had before us the records of all the District Conferences and find that all of them are neatly and correctly kept, with the exception that the following errors occur in the Sea Shore District Record: A motion to expunge from the record a certain action of the Conference, also the record of the action to be expunged appears in the minutes.

The suggestion of your last committee as to the marginal indexing of the minutes has been observed by all the secretaries.

Report No. 1 of the Board of Missions was read and adopted, as follows:

REPORT NO. 1

BOARD OF MISSIONS.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—Your Conference Board of Missions joins with the Church at large in gratitude to God for that increase of missionary spirit manifested by larger contributions to this vitally important cause, for the large number of Conferences, Districts and Charges paying this claim in full and for the increase in the number of individuals and churches supporting individual missionaries. In our own Conference we report a gratifying advance. We have raised this year for Foreign Missions \$11,154.92, as against \$10,621.57 for 1905; for Domestic Missions \$8,379.95 as against \$7,859.03 for 1905.

This is on assessment only and is a total increase for Missions on assessment of \$1054.33.

In addition to this several of our Sabbath Schools are now engaged in raising money for the education of young Japanese ministers; there has been an increase in the number of individuals supporting missionaries, and several mission study classes have been organized. In these as well as in many other ways, brought to the attention of the Board, a missionary conscience is being created and quickened.

The Woman's Foreign Missionary Society is in a healthier condition than for some years past, and report shows that within the last two years Miss Watkins has gone to China, and Miss Drake is at the Scarritt Bible and Training School preparing for the foreign field. With these additions to our honor roll the Mississippi Conference counts 18 missionaries as having gone from us to the foreign field. We have been glad to have with us Dr. J. R. Nelson, one of the missionary secretaries and now in charge of the Home Department work, being enterprised by the General Board of Missions. We most cordially endorse the movement and promise all needed help and co-operation within our power.

The Board is also in receipt of a communication from Dr. Ed. F. Cook, in charge of the Young People's Department, and we request our pastors to put themselves in communication with Dr. Cook at once, and the organization of Mission Study Classes among the young people of the church. Every available means is offered us and we can no longer fail to take this advanced step.

We are glad also to learn that the Training School at Nashville is now being operated on a thoroughly substantial basis, and can declare our confidence in it in no better way than by stating that while we sent one man

to the Training School last year, the Board has taken steps looking to the sending of four this year.

The Board would again urge and plead with the pastors to put "Go Forward" in the homes of our people. "My people are destroyed for lack of knowledge" is as true today as when uttered by the prophet, and in no way can we give better, fresher, more reliable and more stimulating information to our churches than is found in the columns of this paper.

The assessment for Domestic Missions for 1907 is fixed at \$10,000, and we request the Conference to permit the assessment \$11,000 for Foreign Missions to remain. The apportionment of this assessment to the several districts is as follows:

The Board also presented Report No. 2, which was adopted as follows:

REPORT NO. 2,

BOARD OF MISSIONS.

DEAR BRETHREN:—We have had under consideration for some time the advisability of putting in the field a missionary evangelist as provided for in the Discipline of 1906, and respectfully recommend for nomination by this Conference and episcopal appointment, Rev. H. M. Ellis. The Board has combined the office of Conference Missionary Secretary and that of Evangelist and has made ample provision for the support of the appointee.

The report of the Board of Church Extension was read and adopted, as follows:

REPORT OF BOARD OF CHURCH EXTENSION.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—Your Board was delighted to have with it Dr. W. F. McMurray who brings to us the cheering message of successes achieved, also the wonderful magnitude of the work of the Church Extension Board.

In his report to the Mississippi Annual Conference, he says the Church is to be congratulated on an increase in the number of societies and the number of houses of worship erected during the past year. According to the General Minutes for 1905 the total number of societies is 18505, an increase of 409 for the year. The houses of worship number 15735, being an increase of 536 for the year. From the same source we find that there was an increase of \$2,235,358 in the value of Houses of Worship. This reveals the fact that there are 2770 spiritual families which have not been provided with houses in which to worship. During the fiscal year ending March 31, 1906, the General Board aided churches by donations amounting to \$51,219, and thirty-eight churches by loans aggregating \$40,250.00.

The Conference Board aided 437 churches, amounting to \$51,655. In the same period the General Board had 232 meritorious applications asking for \$123,784 in donations, and \$155,080 in loans. The General Board needs \$125,000 annually for donations, and the working capital of the Loan Funds should be increased to \$500,000. Our Conference contributed \$3154.60 or 94 per cent. of the Church Extension assessment last year.

Our Board regrets not being able to give each applicant all asked for, but when we consider that there is \$5,500 asked for, and we have only \$1561.90 at our disposal, we carefully and prayerfully considered the claims and distributed as per treasurer's report.

We recommend that the Presiding Elder of each District bring the matter of Church Extension prominently before this District Conference, and urge full collections.

The following report of the Epworth League Board was read and adopted:

REPORT OF THE EPWORTH LEAGUE BOARD.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—We have had before us the report of the General Secretary, Dr. H. M. DuBose, and note with pleasure the continued prosperity of this divinely appointed organization for the development of the young life of the Church.

From it we learn that the last twelve months have been the most fruitful in the development of the League idea in all its history. The work of the League is taking strong hold upon our people, and is inspiring a confidence among our pastors and leaders which is more evident than has been before.

We also had before us the report of W. D. Hawkins, President of the Mississippi Conference Epworth League, which reveals the large prosperity of the work within our own bounds.

We report 59 Senior Leagues and 19 Junior Leagues within the Conference, which is an increase of 3 over last year.

We think the organization and successful operation of the Epworth League in Port Gibson Female College, a matter worthy of mention, and imitation by our other schools and colleges.

We hail with much gratification the action of our last General Conference which planned for the organization of the Boys' "League." We believe that this new and promising field of work will prove a great factor in helping toward the solution of the problems of the boy in his church life. We urge that it be given a faithful trial by our pastor's and leaders.

We take much pleasure in commending the Reading Course as helpful and instructive. Through this medium many thousands of volumes of religious literature are placed in the hands and homes of our people. We are gratified in the continued prosperity of the Epworth Era, our official organ, and hope it may find its way into the homes of all our people.

Your Board would urge the organization of Mission Study Classes in all

the Leagues. This will not only fire the young life with a missionary zeal, but will inspire a missionary interest in the whole church community.

We call attention to the "Sea Shore Epworth League Assembly" held yearly at the beautiful Sea Shore Camp Grounds, near Biloxi, Miss. The session for 1907 will be held July 24 to August 4, and we recommend this school of training to all our young people.

We earnestly hope that as many of our pastors and young people as possibly can will attend the Fifth Annual Session of our Epworth League Conference, to be held at Laurel, Miss., beginning at 7:30 P. M., on Thursday, March 28, 1907, and continuing through Sunday.

H. WALTER FEATHERSTUN, Pres.,
J. R. JONES, Secretary.

The report of the Joint Board of Finance was read and adopted as follows:

REPORT OF THE JOINT BOARD OF FINANCE.

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—Your Joint Board of Finance reports as follows:

We glean from a communication from the trustees of the Endowment Fund for superannuate preachers and the widows and orphans of deceased preachers, some facts which are gratifying because of the success to the fund indicated thereby.

To date there has been received into the Fund, from all sources, \$190,003.26. Most of this amount is now loaned on good security at from 6% to 8%.

The trustees remind us that the modest sum of \$2.00 from each Church in our connection would add to this Fund \$30,000 annually.

We, therefore, recommend that all of our pastors present this cause to each of their congregations and endeavor to raise not less than \$2.00 at each place.

One of our claimants, Rev. W. W. Hurst, went to his final reward this year. We have continued the quarterly payment plan and have been able to pay all allowances for this year in full.

We have made the following allowances for 1907:

The Committee on Sabbath Observance submitted the following report, which was adopted:

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE

To the Bishop and Members of the Mississippi Conference:

DEAR BRETHREN:—Your Committee on Sabbath Observance submit the following report:

The Christian Sabbath is an institution of God, and its proper observance is essential to the highest physical, moral, and spiritual, good of man. The obligation to keep the Sabbath sacred is a moral obligation, and the violation of that obligation is an immorality. In so far as the Sabbath is protected by the civil law, its observation is a civil obligation, the violation of which cannot be reconciled with good citizenship.

The Discipline of our Church expressly prohibits the "Doing of ordinary

work" and "buying and selling" on the Sabbath, so that the profaning of the day by doing secular work, or by buying or selling goods, is a positive violation of the solemn obligation assumed before God at the altar of the Church, and cannot be consistent with the spirit of our holy religion.

Notwithstanding all this, we find that in very numerous instances the Sabbath is being violated in the interest of business and pleasure; there is a growing tendency to operate railroads and mills and factories, and, in some sections, to sell goods without regard to the Sabbath. Men who are citizens of our commonwealth, men who recognize God, and are members of the Christian Church are violating the laws of the country, the laws of the Church, and the law of God, by running these industries, or by laboring therein on the Sabbath. These things ought not so to be.

We recognize the fact that in this, as in all moral issues, the Christian ministry must take the lead; therefore, we urge all our preachers to give proper place and emphasis to this question in their ministry, teaching the people that the civil law, the law of God, and the vows of Church membership, demand a strict observance of the Holy Sabbath; also we urge them to live above reproach in this matter. We would also urge all our laymen to be true to the law of God and the Church at this point, and to use every possible means to preserve the sanctity of this holy institution.

W. W. SIMMONS, Chairman,

H. J. MOORE, Secretary.

The following letter from Bishop E. Cottrell, of the Colored Methodist Episcopal Church in America, was read:

HOLLY SPRINGS, MISS., DEC. 13, 1906.

To the Bishop and Members of the Mississippi Annual Conference of the M. E. Church, South, now in Session at Laurel, Mississippi:

DEAR FATHERS AND BROTHERS:—I greet you in the name of our Lord and Savior Jesus Christ, and of the Colored M. E. Church in America. I am sure you are profoundly interested in our welfare. You have done and are doing much for our advancement, and I am sure that I voice the sentiment of the C. M. E. Church, and the colored race when I say we appreciate the help you are giving us.

We have raised \$40,000 for this plant, the Mississippi Theological and Industrial College, located at Holly Springs, Miss. Only \$1700 of this amount came from white people. The \$200.00 given by your Conference one year ago has been an incentive to our people to rally and raise more for ourselves. Already, the Mississippi Conference of the C. M. E. Church, since January 15 to Dec. 15, 1906, have raised \$8,000.00.

All you give us as Mississippians, encourages us, and assures us that you are interested in our uplift. We need \$15,000.00 now, to build a dormitory for boys. The contract is let already; will you help us? The North Mississippi Conference is now in session; therefore I shall not visit your Conference as I anticipated. Will you, at the conclusion of the reading of this letter, give us a collection? Brother Featherstun will say a word in our behalf. Whatever you may collect, send draft to me at Holly Springs, Mississippi.

Praying God's blessings upon your deliberations, I remain,

Yours for Christian education,

(Signed)

E. COTTRELL.

The following resolution was adopted at the conclusion of Bishop Cottrell's letter:

The Committee appointed at the last session of the Conference to consider the proposition for receiving and operating the Lamar Training School, submitted the following report which was adopted:

To the Mississippi Conference:

DEAR BRETHREN:—We, your Committee appointed at the last session of your Conference to consider the proposition of Mr. J. H. Hinton, of Lum-

berton, Mississippi, to turn over to the Conference the property of the Lamar Training School, beg to report that we do not think it wise to accept the proposition.

Respectfully,

(Signed)

M. L. BURTON,

G. H. THOMPSON.

The report of the Committee on Temperance was read and adopted as follows:

REPORT OF COMMITTEE ON TEMPERANCE.

To the Bishops and Members of the Mississippi Conference:

DEAR BRETHREN:—Your Committee on Temperance beg leave to submit the following report:

After reviewing the condition of the Temperance cause in our Conference territory, we find ground for gratitude to God, for growing strength and steady gains made by the temperance forces, and for the prospect of soon ridding more of our territory of the vile and hurtful traffic in intoxicating liquors; for the general denunciation of the violation and evasion of the prohibition laws; for the vigorous efforts made to apprehend, prosecute and mete out justice to such offenders; and for the "persistent effort made to abolish the licensed saloon where it still exists."

Resolved, 1st, That we take this method to again show our confidence in the wisdom and counsel of our fathers who taught us to abstain from spirituous liquors, unless in cases of necessity, and this should be governed by an enlightened conscience, and to express our uncompromising attitude toward the liquor traffic in every form, and also urge the use of every honorable means for its total suppression.

Resolved, 2d. That while we rejoice in the victories already gained by the temperance forces, we most heartily condemn every method that is used to bring liquor into prohibition territory; namely, the delivery of same by Railroad and Express Companies under false representation, as glassware, etc., to unidentified persons whose characters and means of gaining a livelihood are unknown.

We would call attention, only to condemn, the practice of those mail carriers in rural districts, who handle and deliver for others intoxicating liquors, and those merchants, who are members of the Church, who allow their places of business to become delivery points of same; and therefore, call upon our preachers and people to use every legitimate means to have such practices discontinued.

We are glad to commend and endorse the action of every public carrier in the State which has honored the will of the good people in this important matter.

Resolved, 3d. That it is the sense of this Conference that the Discipline should be more strictly adhered to on the temperance question as laid down in paragraph 28, and in Chapter five, pages 94 and 95, of the Discipline of 1906.

Resolved, 4th. That in order to quicken the conscience of the membership of our Church and to help it understand more intelligently this evil, we recommend that our pastors preach upon the subject at least once a year to each congregation.

(Signed)

L. F. ALFORD, Chairman,
W. W. PERRY, Secretary.

The following resolution of appreciation of Bishop Ward was adopted:

Secondly, That we thank the Bishop for the wise counsel contained in the sermon and various addresses of the Conference.

(Signed)

J. C. BALLARD,

RESOLUTIONS OF THANKS.

Resolved, 1st, That we rejoice with the good citizens of Laurel in the phenomenal growth of their young city, which has made it possible to entertain for the first time so large a body as the Mississippi Annual Conference, and we hereby express our most grateful appreciation of their generous hospitality.

Resolved, 2d. That we thank Rev. J. W. Chambers and Rev. J. S. Parker for their untiring efforts in providing for our entertainment. That we thank Rev. H. C. Brown for typewriting in duplicate the various resolutions that have been presented to the Conference.

Resolved, 3d. That we thank the pastors and congregations of the Baptist, Episcopal and Presbyterian Churches for the use of their houses of worship; the Y. M. C. A. and Odd Fellows for the use of their halls, and the several railroads and local banks for appreciated courtesies.

Resolved, 4th. That our thanks are due the Times Democrat, The Picayune, The Meridian Morning Dispatch, The Meridian Evening Star, Jackson Evening News, the Clarion-Ledger and the Laurel Daily Chronicle, for their full and accurate reports of the proceedings of our Conference.
